

## MAGNAPRINT® EDGE PRINTING STARTER KIT

MagnaPrint® Edge Range has been developed to print multi-colour designs 'wet on wet / wet on dry' on light and dark coloured backgrounds without the need for numerous flash units in-between. The MagnaPrint® Edge Range offers excellent coverage and elasticity, super soft hand feel and superb wash performance.

### STARTER KIT CONTENTS

The MagnaPrint Edge Printing Starter Kit contains base inks to enable to dip your toe into printing with Magnaprint Edge. Combine with a Eco-Pigments Set to mix colours using the MagnaMix system.
